Filing Description:

AXIS Insurance Company submits an update of its program covering auto dismantlers and auto scrap dealers risks. The current change is to the AXS GJS 132 BPP Exclusion Endorsement, which excluded Stock in the Open on a blanket basis, but did not provide an option to exclude Stock in the Open at a Specific Location. The attached version of the form adds a schedule that allows for location-specific exclusions. There is no rate impact with this change.

Additionally, Impaired Property Coverage endorsements are included for the General Liability form which modifies the base CGL form and one which modifies the base Auto Dealers form. Neither of these forms have pricing impact.
